

STATEMENT OF PEACE

I testify to the following:

- I will only pursue peaceful solutions to the violence of abortion when volunteering with the Lourdes' Pro-life Prayer Vigil
- I will show compassion and reflect Christ's love to all abortion center employees, volunteers, and customers.
- I understand that acting in a violent or harmful manner immediately and completely disassociates me from the Lourdes' Pro-life Prayer Vigil
- I am in no way associated with Planned Parenthood or its affiliates, or any other abortion or abortion-referral facility, as an employee, informant, volunteer, client, or otherwise.

While standing in the public right-of-way in front of the abortion center site:

- I will not obstruct the driveways or sidewalk.
- I will not litter on the public right of way.
- I will not display any graphic or politically partisan signs or flags.
- I will not display any signs or flags unrelated to prayer or pregnancy / healing assistance.
- I will closely attend to any children I bring to the prayer vigil.
- I will not threaten, physically contact, or verbally abuse any abortion facility employee, volunteer, or customer.
- I will not vandalize private property.
- I will cooperate with local city authorities.

We must never use the tactics of the enemy to fight the enemy. The abortion industry paints Pro-life participants as angry, unreasonable and dangerous. They need us to play into that narrative to justify their own existence. When we respond with peace, kindness and perseverance it takes the focus off of us and can lead them to ask the question, "What are we really doing here?" We must turn the other cheek again and again.
